

"ONE GOD!"

(A GOSPEL ROUTINE ABOUT THE TRINITY
DONE WITH THE JUMPING GEMS)

BY DEL WILSON

The patter for this routine follows the moves exactly as they are taught in the regular instructions.

(Show the diamond on both sides of the black stick by doing the paddle move.) *The Bible tells us there is one God. **This diamond represents God the Father. One God!*** (Show the paddle move with the diamond on both sides again.)

*The Bible says that all men have sinned and are separated from God. It also says that the wages of sin is death but the gift of God is eternal life through Jesus Christ the Lord. (Do the paddle move that makes the red gem appear on the end of the stick), In other words, Jesus came and shed His blood so that we might have eternal life. Jesus is represented by the red ruby. (Do the paddle move that shows the red gem on both sides.) One day His disciples asked Jesus, "What does Father God look like?" Jesus answered them, "He that has seen Me, has seen the Father." **This red gem represents God the Son, Jesus. One God!***

*Jesus died on a cross and was sealed in a tomb. (Place red gem in left fist and do the paddle move. This brings the blank side to the top. remove the paddle and tap the top of your left hand with it three times keeping the blank side up.) **Jesus said in***

three days He would be raised from the dead and appear before His disciples in Galilee. (Push the paddle through your right fist to make the red gem appear again. This is actually the red gem that has the blue one underneath it. See the move according to the instructions. Do the paddle move to show the red gem on both sides.)

*After Jesus was raised from the dead He appeared to over five hundred people in a period of forty days. One day Jesus told His disciples He would have to leave but God would send them another comforter. Jesus visibly vanished in the clouds and later the Holy Spirit came to live in the believers and give them power to be mighty witnesses for God. (Do the paddle move to change the red gem to the blue gem. Point at the blue gem.) **This blue gem represents God the Holy Spirit. One God!** (Push the paddle through your right fist to show all three gems.)*

*Does this mean that there are three Gods? No this means there is one God, (Run your finger along the edge of the black stick to illustrate the stick is one God), that has revealed Himself in three Persons; the Father, the Son and the Holy Spirit! (Point at each gem as you say this and then do the paddle move to show the three gems on both sides.) **One God revealed in three Persons!***
